

## 2015-2016 Senate Officers, Executive Committee Members, and Board Representatives Nominations

*Please note: Some election results have not been received by the Senate Executive Secretary, particularly those for students. Nominations may be made from the floor during the appropriate portion of the election meeting, but only if the nominee's election to the Senate has been certified in writing to the Senate Executive Secretary by the unit's dean, designated dean's representative, or student governing association advisor, as appropriate.
